STAFF REPORTS

Assistant Public Works Director Zach Day gave a brief update on the maintenance of the City's ditches. He stated the work is being continued, installing Rip Rap in between Hydraulic and East Parkview Street. He also stated that he would be bringing to council Aug 11, 2020 a proposal for a new piece of equipment to work in the ditches. He is going to look into procuring bids to add concrete bottoms and slope concrete side to numerous ditches around the city.

NEW BUSINESS

Assistant Public Works Director Zach Day reiterated that equipment was the limiting factor in cleaning the ditches, but the City has had positive feedback for the work that has been accomplished so far. He also stated that he would get bids for concrete work from Bowers, Pearson Construction and Donlinger. Gary Aldrich when asked what the next steps in maintaining the canals Zach Day stated that the City will continue work clearing weeds and brush using chainsaws and weed eaters along with regular mowing. Public Works Director Eric Miner added the city's new street sweeper should be delivered in August and that will help stay in compliance with the MS4 program.

ADJOURN

Board Member Terry Ford moved to adjourn at 6:25 pm. Board Member Kyle Lang seconded the motion. Motion carried. 4-0.
